

The goal of this sheet is to keep track of emails/calls and to what colleges. You do not have to use every box, just want to have all the bases covered just in case.

Reminders:

- Emails should be sent before a tournament, After a tournament for updates, before camps, and Once after High School season for an update
- CC: kbees.2021@gmail.com in every email sent to colleges that way we as coaches know who to look for and specifically talk to at tournaments
- If you have any questions don't hesitate to ask!
